MANUFACTURING COMPANY

27501 Bella Vista Parkway
Warrenville, IL 60555

April 13, 2020

Dear Valued Customer,

Ohmite continues to monitor the situation with the Coronavirus (COVID-19).

Ohmite continues to manufacture products at our global sites. Our warehouse, located in Brownsville, Texas, is open and we ship products daily.

Our teams are adhering to the guidelines set by the Center for Disease Control to prevent exposure and further spread of the virus.

Ohmite manufacturing staff are optimized for capacity utilization, and prioritizing orders of products needed for certain Medical and other Industrial applications.

Ohmite will communicate changes on committed delivery dates on a regular basis. Lead-times will be refreshed more frequently, through our local Manufacturer Representatives and Channel Partners.

Best Regards,

John Orso,

Director of Operations
